Nana Kwadwo Gyasi Company Limited (NKGCL) is a trusted Ghanaian building materials company with a strong reputation in cement, iron rods, roofing sheets, binding wires, nails, blocks and related construction supplies. The company has grown from humble beginnings into a nationwide business serving households, contractors, institutions and major projects.

Vision, Mission & Core Values

Vision

To become one of West Africa's most trusted and reliable building materials companies.

Mission

To provide quality building materials, dependable service and customer satisfaction through a strong branch network, responsible leadership and committed human resource development.

Core Values

Integrity, Excellence, Customer Satisfaction, Teamwork, Reliability, Community Development and Accountability.

Founder Profile

ELD. DR. NANA KWADWO GYASI (EKO)BA SIMPREMU, BARIMA BA), a well embraced indigene of Atwima Koforidua in the Atwima Nwabiagya District of the Ashanti Region, is blessed with a lovely beautiful and diligent wife, Mrs Josephine Gyasi and two children of splendid characters.

He joined the Church Of Pentecost in 1978 and in view of his honesty, humility and hardworking he attained the Elderships status in the Church.

Thanks to the remarkably mutual help and moral support enjoyed from the Almighty alongside close associates, contemporaries, parents, relatives, wives and wards, Nana Kwadwo Gyasi has been developing the tenacity of purpose for the growth of his business as a household brand name nationwide and beyond.

Investment of human resource development has been his ultimate hallmark as he states categorically: “We work hard to retain the best minds and build a better future for our employees.”

Maintaining customer satisfaction in a healthier and happier work force in his company since its inception, has sought to retain customers, thereby growing his business to become the nerve center of the building material industry in the West African sub-region.

The meteoritic rise of “Nana Kwadwo Gyasi Company Limited” (NKGCL) cannot be gainsaid and far-fetched, as it is basically contingent on the unparalleled business acumen, sheer determination, zeal and alacrity on the part of the leader and CEO to create diverse employment opportunities for people of diverse backgrounds, with particular reference to the teeming unemployed youth.

Business Beginning

Eld. Dr. Nana Kwadwo Gyasi commenced the business as a mechanical firm from a humble beginning in the late 1980's at Tarkwa Maakro in Kumasi of the Ashanti Region of Ghana.

This young mechanical firm, which was by then, a vehicular truck spare parts enterprise, was later relocated to Magazine New Road within the same Kumasi metropolis.

Products manufactured were supplied to clients and bigger transportation companies such as Omnibus Service Authority (OSA) now Metro Mass Transit (MMT) and State Transport Corporation (STC).

1993 marked the birth of the current brand of the Company, having started dealing in the sale of building materials in the full swing.

Building materials principally traded in comprised of cement, binding wires, iron rods, roofing sheets, and the likes.

Early In

Branch Expansion

Akweteman in Accra was where the first branch of the newly-branded company started full operation in the same year under review followed by Tantra Hill and Kwashiman.

The first in Ashanti Region is located at Fumesua, a suburb of Kumasi and followed by Bohyen Ampabame.

Presently, “Nana Kwadwo Gyasi Company Limited” has a very strong and competent human resource base operating from about forty (40) branches and still counting, principally situated within the vicinities of Greater Accra, Eastern, Central, Western, Ashanti WESTERN NORTH and Brong Ahafo Regions.

Covering the entire fraternity nationwide, the vibrant company’s exploits under the able instrumentality of its CEO has been identified, acclaimed and acknowledged internationally with many a panegyric as a result of Nana Kwadwo Gyasi’s commitment to duty, social and corporate responsibilities.

Corporate Social Responsibility

Eld. Dr. Nana Kwadwo Gyasi being a philanthropist, has donated a lot to individuals, groups and organizations. Below are few to be enumerated; When he was a board member of Kumasi Asante Kotoko, he donated One Hundred Thousand Ghana Cedis (GHC100, 000.00) to the club. He also supported Otumfuor OseiTutu II (Asantehene) during his 20th Anniversary. He constructed a mechanized boreholes for the 4th Infantry Battalion at Kumasi.
